Commissioner of Patents.

The reply brief filed on April 28, 2000 has not been entered. The reply brief improperly contains evidence in the form of screening results and a reference that were not previously submitted in a timely manner. Amendments, affidavits, and/or other evidence must be submitted in papers separate from the reply brief, and the entry of such papers is subject to the provisions of 37 CFR 1.116 and 37 CFR 1.195. A paper that contains an amendment (or new evidence) is not a reply brief within the meaning of 37 CFR 1.193(b). Such a paper will not be entitled to entry simply because it is characterized as a reply brief. See M.P.E.P. § 1208.03.

Applicant is given a TIME LIMIT of ONE MONTH from the mailing date of this notice or the time remaining in the period under 37 C.F.R. § 1.193(b), whichever is longer, for filing a proper reply brief.
